**RE: Louisiana License Application  
Wholesale Distributor of Legend Drug or Devices**

Dear Mr. Clemente:

We are returning the enclosed license application recently submitted for Rx Reverse Distributors Inc. Upon review of information provided for the application, it has been determined that Rx Reverse Distributors Inc. is not required to be licensed in Louisiana as a wholesale distributor of legend drugs or devices since Rx Reverse Distributors, a reverse distributor company, will not be shipping product back into Louisiana but will only be receiving (into Florida) product shipped from customers who are located in Louisiana. If the situation changes whereas your company may have need to ship product into Louisiana, please contact our office regarding licensure to do so.

If you should have any questions regarding this matter, please feel free to contact us.

Respectfully,

Kimberly B. Barbier  
Executive Assistant
